DECLARATION UNDER 37 C. F. R. § 1.132

I, Bruce Freimark, of Cell Matrix Inc., declare that:

1. I am a person who made a deposit of the claimed in the above referenced patent application antibodies with American Type Culture Collection (ATCC), 10801 University Boulevard, Manassas, Va. 20110.
2. The deposit included the following monoclonal antibodies: HUI77 and XL313. The deposit was accepted and approved by ATCC on February 2, 2005. The ATCC accession numbers have been assigned as follows:  
HUI77 has been assigned PTA-6551; and  
XL313 has been assigned PTA-6552.
3. The date of deposit of monoclonal antibody HUIV26 with the ATCC was February 9, 2005. HUIV26 has been assigned accession number PTA-6563.
4. The deposits will be maintained in the depository for a period of 30 years, or 5 years after the most recent request for a sample, or for the

effective life of the patent, whichever is longer, and will be replaced as necessary during that period.

5. I also declare that the antibodies deposited are the same as antibodies specifically identified in the above-referenced specification.
6. I further declare that the above statements were made with the knowledge that willful false statements and the like are punished by fine and/or imprisonment under Section 1001 of Title 18 of the United States Code, and that any such willful false statement may jeopardize the validity of this application or any patent resulting therefrom.

Date: March 18, 2005
